This is volume three of the nine volume series "Families of Salinas Victoria, Nuevo Leon Mexico". This series presents all the marriages found online at www.familysearch.org in the digital images collection for Nuestra Senora de Guadalupe Catholic Church marriages on the film number 605410 covering the years 1755 to 1835. The digital image number is provided for every marriage in these books. This allows for rapidly locating each online marriage record.

Volume Series table

|--------|-----------|-----------|
| One | 1755-1769 | 300 |
| Two | 1770-1783 | 313 |

The city, we know now as Salinas Victoria, was earlier named Valle de Salinas. The church there was named Iglesia Parrochial de Nuestra Senora de Guadalupe de las Salinas. Many of the marriages found in these records actually occurred in the neighboring communities. Check the digital online images for the actual locations. Here are some of the locations found in the records: Parrochia de San Antonio de los Martinez, Capilla de Santa Teresa de las Higueras, Capilla de San Antonio de Mamulique, Capilla de Viudas, Parroquia de Salinas Victoria y Cienega de Flores, Capilla de Hidalgo, Hacienda de Canas, Vice parroquia de Abasolo, and Parroquia de San Nicolas Hidalgo.

I have created, whenever possible, a two generations descendant report for the groom of every marriage. The reports are ordered as the marriages appear in the records. Some of the grooms married multiple times, in those cases their reports appear multiple times with only the digital image numbers changing. People's names, both given and surname, as they appear in this series, may appear very different from the actual records. I expand some, truncate others and use my favorite spellings as I see fit. This makes it easier for me to be more productive but takes away all the nuances. I do not want to rob you of that. I hope you, dear reader, will take the time to examine the actual records. I find it very enjoyable.

Identification of some people in these volumes is complicated by the use of aliases. The records do not state why some people have an alias. Another unexplained issue is the use of "o" as in "Gertrudis Morales o Pena". I do not know if the person recording the marriage is confused as to the surnames Morales or Pena or whether Gertrudis is confused as to which surname to use.

Manuel Villarreal and Maria Rita Cardenas on Feb 15 1774, Francisco Javier Cardenas and Maria Josefa Cantu on Feb 15 1774, Ignacio Garza and Juana Hoyos on Feb 15 1774, Juan Miguel Gonzalez Paredes and Maria Nicolasa Villarreal on Feb 15 1774, Jose Antonio Garza and Maria Ines Villarreal, Miguel Toribio Villarreal and Maria Leonor Escamilla. Jose Placido Reymundo Rendon and Maria Gertrudis Arredondo married on Feb 14 1776 Salinas Victoria and remarried five days later in Monterrey on Feb 19th. Pedro Antonio Gonzalez and Maria Refugio Villarreal revalidated Oct 21 1817.

Juan Nepomuceno Margain and Maria Concepcion Trevino Salinas Victoria marriage record states that they married in Cadereyta Jimenez in Mar 19, 1826.

I added all of the family research from this project into my PAF genealogy database. This database was born about 20 years ago and currently has over 272,000 records. Some of these records came from other researchers. I verified each of the Salinas Victoria marriage records and modified what others have sent me as I saw fit. Children were assigned to a marriage mostly based on the names of a married couple, within the regional area and within a limited time period. These baptisms were found using the familysearch.org search engine. This is a quick way to get work done. I encountered three cases that present problems. I do not know which couple to assign children to because these couples have identical

or very similar name, are from the same region and married in the same time period. The descendants assigned to the following couples have a 50/50 chance of being assigned to the wrong parents.
