Volume Four (1831-1835)
By Crispin.Rendon@gmail.com

This book has descendant reports for the couples that married in the church in the Nuevo Leon, Mexico town named, in earlier times Valle del Guajuco, and currently named Santiago. The church records used are those found on images (294-365) found online at www.familysearch.org in the Mexican Church Records browse image collection for Santiago marriages 1797-1841. The image number is provided for each couple so that record can be quickly found.

The Race and caste labels Mulato, Indio, Mestizo, Coyote, Lobo and Tressalvo found in the records are presented here as lowercase titles.

The index found on page 222 has all of the people indexed. The sort order in the index is impacted by titles.

Notes:

Images 353 and 354 are duplicates of each other.
